LONG BIO (about 250 words)

Little Moses Jones is an award-nominated author, recording artist, professional baker and entrepreneur based in Colorado. He tells stories on the page and on the stage: he has written seven books, released more than 55 songs and performed more than 1,500 live shows, and his music has earned nominations from the Hollywood Independent Music Awards and the Josie Music Awards.

His latest novel, *Against All Odds*, was published on January 27, 2026, in eBook and paperback at all major retailers. It follows Xavier Jones, a 22-year-old self-taught musician from East Cleveland with seven hundred songs nobody has heard, an eviction deadline, and a grandmother who raised him. When a small Cleveland label offers him a deal and a Nashville hitmaker offers him a radio-ready sound, Xavier has to decide what he is willing to trade to make it.

Jones wrote the songs for the story as well. The *Against All Odds* soundtrack, including the title song featuring Don Q, is streaming on all major platforms. The story is in development as a feature film: he wrote the screenplay and is attached to play Xavier in the planned film.

His other books are *Snowfall Serenade: A Heartfelt Christmas Journey*, *The Silent Encore*, *Arrested In Uniform: A Parade Day To Remember*, *A Bluesy Symphony of Laughter: Fat Girl and Tooter*, *Uncovering Evil* and *Echoes of Eternity: A Love Woven in the Threads of War*. Away from the page and the stage, he is the owner and founder of Urban Bread Co., an artisan bread company in Colorado.
